The stability of the items in the luggage compartment when travelling is fundamental for safe and relaxed driving. The Luggage Compartment Net is a simple and very effective accessory which, thanks to its double layer, enables small and medium-sized objects to be secured. The net is fastened using four hooks located in the corners of the luggage compartment floor.

The Luggage Compartment Net is not compatible with the Luggage Compartment Mat.

Shaped as a perfect fit for the loading platform in the luggage compartment, the Luggage Compartment Mat protects the car's interior from water, dust, and wear and tear thanks to the raised edge. The mat is made of recyclable thermoplastic material that is highly resistant and washable, and keeps the boot in tip-top condition, in a practical and functional way. The surface features a herringbone pattern, punctuated by the Maserati logo in the middle of the mat.

SMART GATE REMOTE CONTROL

Designed for your smaller passengers, the Maserati Childseats are based on the quality, design and passion typical of the brand's style.

Conceived to fit perfectly into your Maserati, the childseats are available in two configurations: Group 0–4y (from birth, up to about 4 years) and Group 15m-12y (from 15 months to 12 years), approved to the UN R129/00 and R129/03 standards respectively.

Crafted from breathable fabric with memory foam inserts, both seats are customised with the Trident logo on the headrest and "Maserati" on the safety belt shoulder straps.

They come complete with an ISOFIX base.

Restrictions may apply to specific markets. Ask your dealer for more information.

### GR. 0-4 YEARS

The Group 0–4 year features a 360° rotation function that makes it easy to sit the child in the car and use the seat both in both a front-facing and rearing-facing position. The indicators on the ISOFIX base and the lever at the front make operating the seat functions easy.

### GR. 15 MONTHS - 12 YEARS

The Group 15 months - 12 years features an innovative and exclusive sound system built into in the headrest, allowing small passengers to enjoy the journey while listening to their own music with a safe, protected posture.
