PICK-UP & DELIVERY AND COURTESY CAR PROGRAMS

We know how valuable your time is, this is why we have created the Pick-up & delivery program. You only have to book this service at your trusted official Dealership and they will take care of picking-up and dropping-off your Maserati at your preferred address.

The Pick-up & Delivery service is applicable to all vehicles for any service within a certain distance from the dealership.*

* All models starting from MY18 are eligible. Please check with your Maserati Dealer for prices and exclusions that may apply on both programs.
