Key cover

The Key Cover has been designed to perfectly complement your vehicle's interior. For an extra level of sophistication, the key cover is adorned with the iconic Trident emblem on the front, tone-on-tone stitching and decorations that mirror the key's contours. With replicated key buttons on the back, you can effortlessly access all of your key's features without the need to remove it from the cover. Plus, the chrome ring allows you to use it as a practical keychain.

Indoor car cover

Specifically crafted for the GT2 Stradale with meticulous attention to detail, the Indoor Car Cover features the iconic blue color with yellow accents and the distinctive wording on the sides and front. The cover is tailored from bi-elastic material, ensuring breathability and lined with a soft, plush fleece fabric. Its snug fit not only provides optimal protection but also enhances the bold, sporty spirit of the vehicle, even when parked in the garage. Included is a Maserati branded blue bag for convenient storage when not in use.

Screen protective film

Tailored to perfection, the Screen Protective Film is custom-made to precisely fit your vehicle's navigation system screen. This ensures a seamless application and optimal coverage, protecting against scratches, fingerprints, and surface stains while maintaining the integrity of the navigation system screen over time.

Passenger compartment net

The passenger compartment net allows to store and keep safe small objects, such as a smartphone, a wallet or keys.

Soft case

The Soft Case provides storage for small items inside the car. Crafted from recycled materials, the case includes an internal pocket and is decorated with the embroidered Trident logo on the exterior, while the lining features the Trident pattern. The case attaches to the carpeting with a foldable velcro strap, making it versatile to be used as a convenient beauty case.

Protective films

Essential for a high-performance vehicle, the Protective Films allow to enjoy an exhilarating drive without hesitation by shielding the paintwork from any damage. They are perfectly transparent, custom-made, and available in matte or glossy versions, easily removable without leaving any trace behind.

Microfiber cloth

Keeping your Maserati Touch Control Display free from fingerprints is a simple matter with the Microfiber Cloth. The new cloth is specially designed to clean and protect your touchscreen and keep it completely smear-free.

Emergency Kit

The Emergency Kit contains everything needed to stay safe at the roadside. Coming in an elegant black case embellished with the Maserati Logo, it fits into the luggage compartment. The kit includes: Hazard triangle, Reflective vest, First aid kit, Gloves, Ice scraper. The items in the kit may vary from country to country.
